

ALPACA
FUREAI LAND

Our cute alpacas
will bring smiles to your hearts.

WHAT IS AN ALPACA?

These adorable animals are a species of the South American camelid mammal. They were bred specifically for their fleece which is warm, lightweight, and durable. Their fleece is mainly used for knitted garments, and the thermal qualities surpass sheep wool and cashmere.

MEET OUR FLUFFY RABBITS

Kinako

Anko

ANIMAL THERAPY FOR WELL BEING

It has been proven that interacting with animals has positive effects on both the mind and body. Spending time with animals can boost confidence and improve self-esteem. It also offers physical effects such as reducing stress levels and decreasing your blood pressure.

EXCLUSIVE PLAN

Make a reservation at this Jalan site, or send an email to alpacaworld55@gmail.com regarding questions or reservations.

Alpaca Walk 6:00~7:00

Take a morning stroll through the streets of Kagurazaka with the alpacas and enjoy a peaceful time at the park while taking pictures of this unique experience.

Alpaca Lunch 12:00~13:30

In this private setting you can enjoy a delicious take-out lunch from a famous French restaurant while watching these beautiful creatures. Lunch includes a main dish with vegetables, bread, dessert, and coffee.

VANILLA

AOI

Tokyo's One and Only
**Alpaca

Alpaca World

We offer a wide range of alpaca products imported directly from the top manufacturers in Peru. Come browse through our fine collection of scarves and sweaters with gorgeous color palettes of the Andes. Alpaca garments are warmer, lighter, and more durable than other animal fibers. For those who love all things "kawaii," we also carry alpaca fur dolls, teddy bears, and alpaca merchandise from local artists.
